We would like to invite you to join our club.

We are responsible for installing, removing, maintaining and grooming about 145 miles of trails in Le Sueur County. The club relies on fundraisers, membership dues and snowmobile registration to help support the costs involved. The club has monthly meetings held September - April on the second Monday 7:00 p.m. of each month @ the Little Dandy Restaurant in Le Center, MN.

The annual membership dues for the club are \$30.00. This includes your \$20.00 membership to Minnesota United Snowmobilers Association. MnUSA is the state organization that helps the local clubs with the trail system (this includes trying to keep the trails) and dealing with the legislative issues.

Our website: [www.lesueursnowtrails.org](http://www.lesueursnowtrails.org) or check us out on MnUSA's website [www.mnsnowmobiler.org](http://www.mnsnowmobiler.org) in the club information section.

Please fill this out and return to us tonight or drop it in the mail to the address listed above.
